OMNI DIMENSIONAL CREATIONS LLC

FROM CONCEPT TO CREATION ... THROUGH IMAGINATION!

COMPANY OVERVIEW

Omni Dimensional Creations LLC (ODC) is a veteran-owned creative design and fabrication company providing concept-to-creation solutions for government and commercial clients. ODC combines artistic design, digital development, prototyping, fabrication, and technical production to move ideas from initial concept toward practical, production-ready results.

CORE CAPABILITIES

- Graphic design, branding & visual communications
- Illustration, concept art & custom artwork
- 2D/3D design, modeling & visualization
- Digital imaging & photo editing
- Signage, displays & large-format graphics
- Prototype development & creative fabrication
- Themed-environment, prop & staging solutions
- Technical production support & custom project solutions

TARGET MARKETS

- Federal, state & local government
- Prime contractors & subcontracting
- Commercial businesses
- Themed entertainment & attractions
- Nonprofit & creative organizations

DIFFERENTIATORS

- **Design + fabrication:** creative and hands-on technical capability under one business.
- **20+ years of experience:** creative problem-solving, designing, building, and maintaining show-related props, staging, themed environments, and attractions.
- **Major themed-entertainment background:** professional experience includes Walt Disney World, Universal Orlando, and SeaWorld Orlando.
- **Multidisciplinary approach:** artistic design, fabrication, technical operations, project coordination, leadership, and production experience.

CUSTOMER VALUE

ODC helps customers turn ideas into clear visual concepts and practical deliverables while reducing handoffs between creative design and physical production. The company is structured to support custom, small-batch, and specialized projects requiring flexibility, visual problem-solving, and a direct concept-to-creation workflow.
